Caroline and Tyler are living in bliss until they receive a grave visit from Elijah, Klaus' brother. At first, Caroline and Tyler do not know what to make of Elijah's visit or Klaus' invitation.

Klaus isn't one for games, but he is one for killing a person on his own terms. Did Klaus send Elijah to kill them? Surprisingly enough, there is more disturbing news. Klaus has conceived a child with Tyler's enemy, Hayley. Klaus also wants to see them. Tyler knows it's just a ploy for Klaus to get points with Caroline, but they agree to see Klaus because they don't have a choice.
