At seventeen, Gage Cameron thought things would be better when he moved to a small tourist town in the middle of the Pacific Northwest. But when Gage's mother goes missing without a trace, it raises more than a few eyebrows with the local authorities. Now, Savannah Scotland, the teen daughter of a wealthy East-coast developer, has gone missing as well.

Arrested and jailed for a crime he did not commit, Gage must make a desperate attempt to find Savannah-and unravel the sleepy town's ominous secret before it claims even more lives--including his own! A STORY UNLIKE ANYTHING YOU HAVE EVER READ! Mystery and intrigue swirl as the lives of two innocent young people collide with destiny within this steamy romantic epic. But the tale is only beginning to unfold within the pages. Each new book follows a new couple, their lives seemingly separate, but inextricably connected to the others in ways none of them could have ever imagined! As the story unfolds through each book with different lives and new romances, a prophecy is unveiled. A powerful unyielding darkness, as old as time itself, begins to stir.
