This collection bundles all three titles from Candace Calvert’s exciting Mercy Hospital series into one e-book, for a great value! #1 Critical Care After her brother dies in a trauma room, nurse Claire Avery can no longer face the ER. She’s determined to make a fresh start—new hospital, new career in nursing education—move forward, no turning back. But her plans fall apart when she’s called to offer stress counseling for medical staff after a heartbreaking day care center explosion. Worse, she’s forced back to the ER, where she clashes with Logan Caldwell, a doctor who believes touchy-feely counseling is a waste of time. He demands his staff be as tough as he is. Yet he finds himself drawn to this nurse educator . . . who just might teach him the true meaning of healing. #2 Disaster Status Charge nurse Erin Quinn escaped personal turmoil to work on the peaceful California coast. But when a hazardous material spill places Pacific Mercy Hospital on disaster status and stresses staff, she’s put to the test. And thrown into conflict with the fire department’s handsome incident commander, who thinks her strategy is out of line. Fire Captain Scott McKenna has felt the toxic effects of tragedy; he’s learned to go strictly by the book to advance his career, heal his family, and protect his wounded heart. When he’s forced to team with the passionately determined ER charge nurse, sparks fly. As they work to save lives, can they handle the attraction kindled between them . . . without getting burned? #3 Code Triage Dr. Leigh Stathos likes her ER shifts fast, furious, and adrenaline-infused—“Treat ’em and street ’em”—with no emotional complications. Life’s taught her a soul-rending on: nothing lasts forever, including marriage. And the clock is ticking toward the end of hers. Then an unwelcome confrontation with “the other woman” begins a whole new set of ons. San Francisco police officer Nick Stathos never gives up, whether protecting his patrol neighborhood, holding fast to faith—or trying to save his marriage. Seven days is all he has to reach Leigh’s heart. But when a desperate act of violence slams Golden Gate Mercy Hospital into lockdown, it starts a chain of events that will change lives forever.
