Nikki Wild is back with another STEAMY Paranormal Werebear Romance! Rafe's amber eyes twinkled as he ran the length along his hands. "Silver," he said, "it's pure silver. And it does nothing to me... Do you see that? Yet another fairy tale humans still tell themselves to imagine they are safe. Silver can not hurt me." He grinned, showing me his pearly white teeth, sharp and hungry. "But it will probably hurt you. You would like that, wouldn't you?" "Yes, sir," I whispered.
