Come hear the sounds of Christmas... Vivacious frontier widow Connie Rose Simonson manages two cafés while dreaming of the perfect Christmas for her son Andrew, but not everyone welcomes her success. A corrupt banker wants her properties and will manipulate anyone in his way. Dr. James Connor heals others while forsaking his own needs. The town's only doctor, an influenza outbreak, and the holiday season leave him exhausted and discouraged. It looks like another lonely holiday for the Connor and the Simonsons until Andrew is injured and the doctor becomes entranced by the attractive widow. But James has been hurt before and hesitates to get involved, after all, a physician must always maintain a proper relationship with his patients. It's up to angelic newcomer Diana to bring them together creating new beginnings, new memories, and to hear When Christmas Bells Are Ringing.
