55 FREE Bonus Books included As our way of saying thank you for being a reader, when you buy this title, we are giving you access to our ENTIRE library of MOUTH WATERING romance titles, 100% FREE of charge. A BBW Romance. I've always loved nature- the sounds, the ambiance, the peaceful atmosphere.

My husband Mike's not so crazy about it, though. The two of us are having our three year anniversary, staying in a secluded log cabin. The two of us share a night of passion, rekindling a love that I once feared to have gone dormant- and which, I discover before long, it genuinely has. Our marriage is flat, devoid of passion, and I no longer feel that I'm married to the man I originally fell in love with. I go out into the woods alone that night, disappointed in this failed attempt at rekindling our romance, when suddenly I come a cross a startling sight- a fully grown werewolf trundling headlong toward me. I think I'm a goner, but as he transforms before my eyes into his naked and vulnerable, we stare at one another, and suddenly I'm asking myself- Could being taken by an Alpha be the thing that I need to feel whole in my life? This is a stand-alone Contemporary New Adult Romance novel.

No Cliffhanger. Content suitable for mature readers, contains sexual content and harsh language.
