Wealthy heiress Eve Townsend is close to death. But before she dies, she has to know: what happened to the daughter she gave up for adoption twenty-four years before? Did she inherit her mother's life-threatening disease? Medical researcher Pete Worth is ready to find answers by tracking her down. And when he finally locates Meredith Lassiter, he finds her widowed, pregnant and on the run. The smugglers who killed her husband want her dead...and Pete is the only one standing in their way.
