Rylan has a past.

A past that comes in the form of a beautiful, strong and dangerous vampire named Savannah. Savannah has spent years searching for Rylan, the love of her life and is left feeling dissapointed and angry when she finds him with a beating heart and a fiance. Upon hearing about the reanimation process Savannah vows to reinfect Rylan, eliminate Kady and eradicate all those who stand for the it. Her pledge seals everyone's fate in ways no one could ever have predicted. Will Savannah succeed and ruin everything and everyone that Rylan has come to hold so dear? Will Rylan be reinfectd? Will Kady survive?
