The 1970s were never like this! Denise Sims is looking for something neat to use for her sorority's disco themed party. When she finds a disco ball at a garage sale, she thinks she has just what she needs. But when she shows it off to her two friends, this mystic mirror ball will have an unexpected impact on Denise, triggering her inner desire to be a big-titted bimbo. Soon, as her boobs grow and her mind gets fuzzy, Denise is going to realize that what she wants isn't to show off the disco ball, but to have hard and unprotected sex with her two hunky friends at the same time! It's a blast from the sexually uninhibited past as Denise discovers the erotic release of becoming a Disco Bimbo!
