Poetry. Drama.

WAR, THE MUSICAL condenses the written, visual, musical and interpretational aspects of the musical form into a small well-compiled book. Robert Fitterman and Dirk Rowntree have produced an ingenious collection of images, blank pages text and sheet music that can be examined in many ways. WAR, THE MUSICAL reads as a flipbook, allowing the carefully selected images to pass by you like a lively drama.

Upon careful examination this collection has a plot and a score to accompany it. It is a wonderful, multi-faceted innovation in the written word.
