Enter the world of Trinity and Dior as they show you what its like to be in young love and in the game. From a Broken home to a mansion Trinity has seen and lived it all. Dior coming from money was always taught death before dishonor. Dior has no choice but to take on where his father left off. Somewhat of a knight in shining armor, Dior saves Trinity from all her hardships and bring her into his world which isnt as great as it seem. From kidnapping to murder Trinity and Dior endure it all witnessing for themselves that the game has no loyalty. Your closets friends beome your enemies.
