Follow Pete O'Neil over a twenty-year period as he pursues his dream of flying.

From modest beginnings flying a single-engine Cub to mastering the top fighter aircraft of the 1960s, Pete survives his training in time to handle the ultimate challenge - flying combat sorties. He isn't a typical fighter pilot and fate intervenes, keeping him behind the scenes influencing crucial military events of the 1960s. Enjoy the blending of historical fiction with heart-pounding flying action.
