Relating to People of Other Religions addresses a single question: How do I -- how might I -- as a Christian, relate to people of other faiths such as Hinduism, Islam, and Judaism? In a warm, engaging style, M.

Thomas Thangaraj gives Christians confidence in relating to people of other faiths. Relating to People of Other Religions: - provides autobiographical, anecdotal, biblical, and practical reflections - avoids academic jargon - challenges the reader to reflection - gives readers confidence in relating to people of other faiths - offers readers an opportunity for a reappropriation of their own faith
