Jenna left her life of punishing poverty behind, finding success, romance, wealth and an Oscar nomination in Hollywood but what she wanted most was the forgiveness of her mother for a terrible wrong she committed against her. Her dark secret put the man she loved in a hidden grave while his brother searched to find him. Only the love of a mother, who would go to the ends of the earth for her daughter, gave Jenna the redemption she sought. Follow Skye Campbell and her daughters from a mountain cabin in Alabama to a vineyard in Napa and a mansion in Beverly Hills.
