

The Green Ray

Author: Corina Copp
Genre: Poetry
Published: by Ugly Duckling Presse
Goodreads Rating: 3.77

[The Green Ray.pdf](#)

[The Green Ray.epub](#)

The Green Ray is relent—in its syntactical and almost kaleidoscopic subversion of univocal emotion, its contrapuntal speed and delay, intimacy and pretense, security of sources and formal promiscuity. The poems both sense and want to, enacting a rigorous aesthetic engagement that never quite achieves synthesis, instead posing writing itself as dialogic longing. It is Corina Copp's first full-length collection of poems.
