A tale of dark fantasy, betrayal, love, sacrifice, and forbidden romance...

He's a dark Angel sworn to protect and defend, forbidden to touch the only temptation he's had in centuries. She's a human girl whose light and pure soul has become a target for the forces of darkness.

They must fight a battle not only for her soul but of the heart, but can she be saved in time? One dark angel, a human girl, and an eternal battle over the soul... Will Bash and Emily cheat death and find a way to stay together in a world torn apart in an epic fight between good and evil, where the battleground of the soul takes precedence over everything, even true love?
