Regina Harris has been through it all, orphaned at 13 and forced to use street wits to survive. Now living in Harlem with her four-year-old daughter, she thinks her life has finally stabilized--but where there's Regina, there's always drama. She runs into a former boyfriend and, against her better judgment and the advice of friends, she resumes their steamy affair. Sparks fly when her U.S. Congressman ex-hubby decides he wants her back and her boyfriend decides he won't let her go. Life is no dramatic for her three best friends--Yvonne can't tear herself from a lawyer turned violent junkie, Tamika and her family are being targeted by street thugs bent on revenge, and Puddin' still can't resist using any man in her sights to support bad habits.
