Can you steal the perfect life? Find out, in Carmen's fabulous Christmassy stand-alone novel! It started with too many cocktails, as all great plans do... 1) Rob Auction house where sister works. 2) Sell the jewels. 3) Disappear and live happily ever after. A completely brilliant and perfect plan...

when you are a few Cosmopolitans down! The three very different Jewel sisters, Amber, Sapphire and Em, all came to New York looking for a new life. But things aren't working out as well as they hoped. Em has had enough. She wants fame and fortune, and she's got it all mapped out.
