Yoga: Increase Flexibility and Lose Weight with the Top 100 Yoga Poses for Beginners: The most complete Yoga book on the market. Yoga, though an ancient art, in recent years is now main stream in people's day to day life. Yoga has helped people overcome stress, anxiety, traumatic experience and make them "feel good". Yoga offers a means of exercising combined with relaxation in order to tone and train the body. Yoga is the perfect way to bring flexibility, balance and reshape the body. Yoga is an art rather than an exercise; it employs different poses and stretches to bring about the desired physical changes. Yoga is the most diversified spiritual practice on the planet. Yoga crosses numerous societies as well as numerous dialects.

There are many benefits and 'miracles' attributed to the practice of Yoga. To some yoga helps to bring inner peace when worried while to others Yoga helps relieve pain of headaches, backaches, and menstrual cramps. Yoga Benefits It is no more news that an average person's everyday life is dotted with some elements of stress, pain, rigidity, continuous aging and numerous distractions. All these make living a healthy and free life

quite difficult. The good news however is that Yoga offers an interesting and relaxing way out of such struggles.
