This is the four-book boxed set for the New York Times bestselling Women of Power series.

These women don't need a billionaire lover. They are the billionaires. Chosen for Power Elle has always depended on family to make her business run strong. She has led her family business to enormous success, but this has left her without much of a private life.

Just as Elle thinks she has met the potential man of her dreams, she also discovers an imposter is out to destroy her entire life. Can she trust "Prince Charming" to help her defend everything she holds dear, or will she only leave herself vulnerable at the worst possible time? Drake Charles's work in the fast-growing mobile technology field made him a wealthy, powerful man. But he quickly sheds the fame and publicity for a more private life, which earns him the label as a man of mystery. Drake adds to that mystery every year when he hosts a masquerade ball for charity. It's also his best chance to find the one thing he really wants . . . true love. Built for Power Bree has learned to tolerate a lot as one of the few women in an executive position in the construction industry.

But when the normal bullying tactics turn aggressive and threaten her project in Atlanta, Bree decides to go on the offensive. Convinced an architect is out to destroy her project, Bree decides it's time to give Logan Ward a piece of her mind. Despite being thousands of miles away in London, successful architect Logan Ward finds himself on the receiving end of "B.

Simpson's" angry messages from across the pond. Deciding to handle B. Simpson's demands himself, Logan heads to Atlanta only to discover things are not what they seem, starting with the sexy woman he rescues after an accident on the job site. Fashioned for Power Allegra Simpson is the Vice President of Simpson Fashion and she's always handled life like her mother taught her—with manners and a smile. But Allegra learns being nice can get you in trouble as someone haunts her from the shadows and turns her life to one of secrets. She fears she'll never be able to have a relationship with Finn, because it would put everyone she loves in danger. Finn Williams had a promising professional baseball career until an injury disrupted everything.

But Finn wouldn't let that stop him. He went to law school and started his own sports agency. The only thing missing was Allegra's love. The chemistry between the two had been undeniable.

But Finn knew there was something that Allegra is holding back from him.

He just has to get her to trust him enough to tell him. The man in the shadows is watching. He's always watching. He knows Allegra's every move. He's been in her house, laid in her bed, and has plans to make her love him. She rejected him, but they are destined for each other. Soon she'll come to see they are meant to be. Because if he can't have her, then no one can. Destined for Power When Mallory Westin's family's quest for more power caused her a broken heart, she turned her back on the only life she ever knew. Now a successful owner of a security firm, she's determined to forge her own path. But sometimes one's past isn't so easy to leave behind. Mallory has to take control as an assassination plot snares her father and the man she loves. Reid Simpson had loved Mallory since they were teenagers. Then one night changed everything as she suddenly broke his heart. For years, he escaped the pain as he built a resort and casino empire. He pushed her from his mind, if not his heart.
