"Her Rest Heart" is the second study in the Faith and Fiction Bible study series that uses Christian fiction as a backdrop for exploring biblical themes. Just as Jesus used stories (parables) to teach important principles, inspirational fiction can open readers to greater understanding of themselves and spiritual themes. Based on a novel of the same name by acclaimed Christian fiction author Barbara Cameron, this six-session Bible study explores the heart's longing for love and acceptance and the Bible's answer to this universal human need. The Participant Book has five daily readings per week, each including Scripture, reflections on the day's topic with questions and space for writing responses, prayer, and a suggestion for the day a question to ponder, Scripture to consider, or action to take.
