TRUE COURAGE IS FIGHTING FOR THOSE WHO ARE UNABLE TO FIGHT FOR THEMSELVES... EVEN WHEN YOU HAVE EVERYTHING TO LOSE. The measure of a young man can be a funny thing, especially when the results are not what anyone expects. Eighteen-year-old Evan Nash doesn't look like a hero. Nor does he feel like one.

He's not trying to be anything.

But what Evan is...is a kid with a deeply-rooted sense of right and wrong. One so strong, that even a life-threatening condition cannot derail Evan's determination to save as many as he can... Even if it kills him.
