Brenna Wright loves discovering new artists and showing their work at her New York Art Gallery. Recluse Sinclair Grady creates magnificent stained glass windows from rare sea glass while coveting her privacy on the secluded beaches around Pemaquid Point, Maine. When Brenna comes across Sinclair's work, she knows instantly that this is one of her biggest finds. But for Sinclair, one horrific secret from her past makes her reluctant to leave her self-imposed exile and take a chance with Brenna. And when feelings erupt between them, their chance at love sets in motion a potentially devastating series of events that could not only sabotage their relationship but could destroy Sinclair's life.
