Lucy Reardon and Finn Mundy were strangers-but not to calamity! From the instant Finn spotted Lucy's black net stockinged legs perched on a ladder outside his bedroom window, he was an accident waiting to happen-and she was the fuse on the dynamite! Sprains and scrapes were a small price to pay for having Lucy in his arms, Finn admitted, but once he'd caught his lovely next door neighbor he wasn't at all sure what to do with her! Lucy had a million plans for her life, and her enthusiasm was contagious. Could she teach her dashing but slightly indecisive lover that his destiny lay in her direction?
