Exclusive to the 2015 Historical Novel Society Conference, this glossary and handbook to historical combat is meant as a launchpad for all authors writing violence in their works. Learn the origins of phrases like "flash in the pan", "let the cat out of the bag", "fly off the handle", and more! Discover words like "moulinet", "pris d'fer", and "passado"! Laugh at the story of Cobb's traverse! Learn the history of the fight masters!
