“When something is damaged or broken, the pieces can be put back together, but they will never be the same.”
KATIE: When I was left to raise my daughter alone, I decided dating just wasn't worth it. I never wanted my daughter to experience the kind of heartbreak only a man can give you and I didn't have the time, until Nicholas Sinclair came walking into my life with his charming smile and his mischievous eyes. I just wish I would have known how it was going to end. NICK: I knew she was it for me the moment I met her, but I had to leave. I had one more tour to do overseas and then I could come home to her for good. Little did we know, I wouldn't come back the same man. I was damaged beyond repair, so I pushed them away and hurt them. It didn't take me long to realize the mistake I had made. Now, I will stop at nothing to get them back in my life, but will Katie want my Damaged Pieces? *This book can be read as a standalone.
