Six very different children must learn to face their fears and work together to save the world in this page-turning fantasy that takes its heroes on alpine adventures involving avalanche rescues, ski races, snow lizards, flying sleighs, and magical snowmen. Catapulted into a strange, snow-covered land, the friends must race against time to unlock the power of the King's crystal and return it to its rightful owner. Making their challenge all the more difficult every step of the way are Shadows—formidable foes who prey on their fear.
