Jax is back with a mission. After being away for five years, he finally runs into Jade.

He has been searching for her and his daughter. He has a problem though, he has moved on and met another woman... Jade has struggled to move on, to find another lover and forget the pirate that sunk his way into her heart. When he returns, her world is tipped upside down, and he is determined not to let her get away again... With his return, Jax not only brings back old memories and lust, he brings along some drug lords and a pirate after her fathers treasure. When the pirates contact her, and tell her they will kill her daughter if she doesn't bring them the treasure, will she betray Jax's trust and his crew to save her child?
